VISION

Rosewood Downs Primary School is committed to providing a stimulating learning environment and educational programs that will motivate, challenge and support students to become resilient life-long learners. The school aims to maximise student potential in a safe and caring community in which academic achievement, positive self-esteem, cultural diversity and the rights of all are highly valued, respected and celebrated.

PHILOSOPHY

The Rosewood Downs Primary School community believes that education is a framework for life. Students are supported and encouraged to become independent learners, able to exercise every opportunity to extend their knowledge and understanding of their academic, emotional and social environments.

Rosewood Downs Primary School is to provide for the academic and personal development of all students by:

- Creating a positive learning environment which will instil an eagerness for learning
- Prioritising the fundamental skills of Literacy and Numeracy
- Fostering the development of personal and social values
- Accepting and welcoming diversity

Rosewood Downs Primary School believes in the importance of providing a holistic approach to educating students. There is a whole school approach to children's mental health and wellbeing under the umbrella of KidsMatter. We believe that being mentally healthy is vital for leading a rewarding life. KidsMatter addresses mental health promotion, prevention and early intervention. We are also a founding member of ThinkPlus. ThinkPlus fosters the development of growth mindsets and gives students positive, practical brain knowledge to learn more effectively. The key to ThinkPlus is the concept that intelligence can be developed. KidsMatter and ThinkPlus are infused through all key learning areas enabling our young learners to become resilient, persistent, creative and mindful.

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.
